2013
Woodruff Scout Reservation
Program Schedule

The following merit badge classes and activities at Woodruff have age restrictions. These are in place due to the nature of the badge or activity and/or the limited availability. Please help us comply with these restrictions by scheduling scouts into age appropriate activities.

Age 15

BSA Lifeguard (This is BSA Requirement)

Age 13 and graduated from the 8th grade

Whitewater Challenge High Adventure
Ultimate Zone High Adventure
Shotgun Merit Badge
Climbing Merit Badge
Fly Fishing Merit Badge

Graduated from the 7th Grade

Cycling Merit Badge
Water Sports
Motorboating

The following merit badges meet for instruction in the morning. Scouts will need to attend one or more sessions during an afternoon or evening period to complete the merit badge.

• Archery	• Rifle Shooting
• Shotgun Shooting	• Water Sports
• Pottery	• Sculpture
• Environmental Science	

Please do not over schedule your scouts. If they are taking any of the above merit badges, they will need to leave some afternoon and evening periods open.

Woodruff Scout Reservation
2013
Program Schedule

NOTES

Important Note: All classes are held daily (Mon - Friday) at the time period listed, unless otherwise noted.

[1] Ultimate Zone and Whitewater Challenge will meet Sunday evening at 7:15 with all gear, and will leave camp during the opening campire.

[2] Due to the large number of scouts taking this merit badge, this may appear on the online schedule as multiple sessions. Each session is identical in content.

[3] Scouts that do not pass the Swimmer's Test will automatically be moved to the Swim Lessons class, at the Aquatics Director's discretion.

[4] Openings for this activity are limited. While scouts may "walk up" and do this activity, preference will be given to those troops that sign up in advance.

[5] Scouts wishing to "demonstrate proper technique for performing CPR" may do so by passing a brief test. This does not certify the scout in CPR, but does meet the merit badge requirement of many merit badges.

[7] This merit badge may require additional afternoon field work or skills practice. Scouts will need to plan on attending one or more sessions in the afternoon or evening periods to complete the merit badge

[10] While walk ups are welcome, preference will be given to scouts practicing for the merit badge. Note - Ranges are open ONLY for Merit Bage participants in Session C

[13] Horsemanship Merit Badge is a two day badge. On the 'ride' day, the trip will leave at 12:30 from Main Pavilion. On the other day, class will be at 2:00 pm. This is a Mon/Tue or a Wed/Thur badge.

[14] River Trips and the Horse Trail Ride leave at 12:30 daily from the Main (Check-in) Pavilion

[15] Single period morning session daily. Afternoon two day double period session (A & B) will be offered as a Mon/Tue session or a Wed/Thur session. Motorboating Afternoon is Mon/Tue only

[16] This is a troop activity (non staffed). Leaders must practice Safety Afloat guidelines.

[17] Most Nature Merit Bades have afternoon and/or evening field sessions. Scouts should plan to attend some afternoons in order to complete the requirements. The amount of time will depend on the individual scout

[18] This merit badge is only offered in the afternoon for a two day session, either Mon/Tue or Wed/Thur. Participants may need to attend Friday afternoon as well, depending each individual class.

[19] Fishing merit badge participants will need to provide their own fishing pole and tackle. The camp will not provide poles. Cane poles will be available for sale at the camp trading post.

[20] BSA Aquatics Supervision Courses. Swimming and Water Rescue: 9:30 until 12:30 both Tues and Wed. Paddle Craft Safety: 2:00 until 4:45 both Tues and Wed. These are two day courses for adults.

[21] This merit badge is only offered on Mon/Tue afternoon - older scouts only

[$] This merit badge, or activity, may have an associated cost. Please refer to the camp Mert Badge Quick Reference
