2014 SUMMER CAMP FEES – WOODRUFF SCOUT RESERVATION

A week of Summer Camp at Robert W. Woodruff is the best value for your Scouts and you. Our outlook on fees is very different from most camps; we charge a little more money for our basic camp fee vs. charging lots of incremental activity/class fees once you get to camp. You can participate in virtually every class/activity at Woodruff, ranging from troop whitewater rafting, shooting sports, water-skiing, motor boating, and horseback, without any added fees. At Woodruff, the only classes that charge additional fees at camp are some in the handicraft area and space exploration. Even then, we sell those kits through our Trading Post "at near cost". We also charge an additional fee for those participating in Whitewater Merit Badge, our popular 5-day Whitewater Challenge (weeklong) and our other Offsite Hi-Adventure Trek (weeklong).

****** For the purpose of camp administration, including the setting of leader fees, a unit is defined as the group of leaders and youth that register as a single "unit" to attend camp. If the "unit" is comprised of leaders and youth from multiple troops, all youth and leaders will be counted as a single "unit" and all must identify themselves with the "at camp unit number" rather than their individual troop number. Leaders should not expect to get additional "free leaders" if the "at camp" unit is made up of multiple troops. "Free Leaders" is determined only on the number of youth attending camp.

Fees for Partial Week Leaders:

- If you are attending only part of the camp week, one to three days, you will pay a per day rate of $40 which will cover your meals and camp overhead. You will not receive a camp mug or patch.

ROTATING / PARTIAL WEEK LEADERS:

Consistent leadership throughout the full week of camp has proven to work best for the units and camp as a whole. When it is necessary, leaders may rotate in/out and share a single leader fee. All we ask is that the camp office be notified when a leadership change occurs. Also, please be aware that extra camp patches and leader mugs will not be available for multiple leaders sharing the same leader slot (rotating).

Please see "Tentage" under "Campsite Accommodations" for important details. (Leader Guide)

CAMPERSHIPS

A limited number of camperships are available each year for youth members **registered** in the Atlanta Area Council. Camperships may be requested for those youth that desire to attend camp but cannot afford to go. **The troop must bring the "council" approval letter to check-in on Sunday. Consider this approval letter as cash. If you do not bring it with you, you will not receive credit for the campership.**

Important Note: Application for Camperships must be completed and submitted before May 1, in order for the Campership Committee to approve your request and send you the approval letter. **No camperships approvals can be submitted or granted at camp. "Downloadable Form"**
