Venturing Extreme is conducted at Woodruff Scout Reservation during Week #8 of Summer Camp. It is open to Registered Venturers ages 14 years to 20. This is a coed Venturing activity.

Venturing Extreme provides a challenging and action packed experience for all participants and an opportunity to work on Ranger Requirements.

Venturing Extreme activities are conducted by either an independent outfitter or Robert W. Woodruff staff members who are present for all activities.

Venturing Crews and individual Venturers are invited to attend **Venturing Extreme**.

Adult Crew Advisors are welcome and are encouraged to participate in the **Venturing Extreme** program.

Venturing Extreme requires advanced reservations for all participants. Camp is open to in-council and out-of council Venturers and Leaders.

Venturing Extreme July 20-26, 2014

(HALF SESSION-7/20 - 23)

An exclusive
Summer Camp Program
of the

Requirements & Qualifications:

You must be a registered Venturer between the ages of 14 and 20 or a registered adult leader to attend. Crews and individual Venturers (both male and female) are invited.

Participation in Venturing Extreme requires a supplemental permission slip from WWE and a Annual Health and Medical form.

The Venturing Extreme Program:

Venturing Extreme is designed for individual Venturers and crews to experience 6 days (or 3 days) of fun, exciting and challenging activities while working on their Ranger Requirements.

A variety of activities will be offered:

Venturers will participate in Adventure Activities such as Whitewater Rafting, Horseback Riding, Climbing/Bouldering, Shooting Sports, Mountain Biking, Kayaking/SUP, Swimming, Hiking and Social Gatherings.

Venturing Ranger Requirements will be offered in areas such as: Backpacking; Communications; Conservation; Emergency Preparedness; First Aid; Plants and Wildlife; Ecology; Wilderness Survival; Land Navigation; Leave No Trace; Physical Fitness; Shooting Sports

There will be opportunities throughout the program for fellowship and team building. Plenty of social activities are planned.

Venturing Extreme

Equipment, Gear and Lodging:

Participants in this camp will need to bring personal camping gear. All high adventure equipment will be provided. Participants will stay in canvas tents on platforms with cots (male & female). Venturers must wear clothing appropriate for a Scouting activity. Meals will be provided in the dining hall at camp.

About Woodruff Scout Reservation:

The Atlanta Area Council operates the Robert W. Woodruff Scout Reservation. Since 1980 Woodruff has been, and continues to be, one of the premier camp properties in the BSA.

Located near Blairsville in North Georgia, Woodruff is a 1,575-acre camp property adjacent to Lake Notley and the Chattahoochee National Forest. The North Georgia Mountains surround the camp. Woodruff offers a spectacular 86-acre lake, excellent facilities, heavily wooded campsites, and great hiking trails.
