RANGE MASTER TRAINING

(FORMALLY CERTIFICATION SATURDAY)

This Training is conducted to certify Range Master's in National BSA Standards and operating procedures. These Range Master's are then permitted to operate ranges for Cub Scout BB, Cub Scout Archery, and additional activities such as; bottle rockets, sling shots, blow guns, tomahawk throw, etc… The training is conducted by BSA National Camp School - Shooting Sports Directors as required by the BSA.

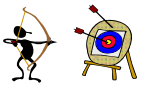
Age: Adults 21 years of age. Please do not bring children to the training.

Cost: $10 for the day.

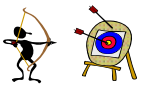
Why: This training will certify you to teach Cub Scouts shooting sports at Atlanta Area Council Camps or at approved district/council events. Note: BSA Policy does not permit the operation of BB and Archery events at the den or pack level.

How to Register: To register go to **www.atlantabsa.org** and go to the **calendar** and the **activity date** listed. Click on the activity to get started. You may also register by going to the Camping tab then select the Year Round Camp Programs / Shooting Sports. No "walk-ins" are permitted

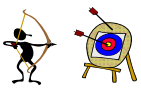
Range Master training will be held 3 times this year:



Date: April 18, 2013
What: Range Master Retraining
Who: Target participants will be adults who **have been previously certified,** within the last 2 years and can show evidence/demonstrate experience in operating ranges. This is retraining.
Where and When: Training will be held to the Volunteer Service Center, 6pm to 9pm.



Date: May 11, 2013
What: Range Master Training
Who: Target participants will be adults who have **never been certified**, or who were certified more than 2 years from the above date. This is full training.
Where and When: Woodruff Scout Reservation, 8am to 5 pm.



Date: September 7, 2013
What: Range Master Training
Who: Target participants will be adults who have **never been certified**, or who were certified more than 2 years from the above date. This is full training.
Where and When: Bert Adams Scout Reservation, 8am to 5 pm.

Note: There is no food or drink available at the camps. Plan to bring your lunch and a drink for the camp training sessions. Training will take place rain or shine, so come prepared. Plan to arrive early and when you arrive, look for signs to check in.
