

You said YES to being a Cub Scout Leader.
 You filled out the application.
 You've taken Youth Protection.
 Only one thing left to do:

GET TRAINED!

Your boy is going to be a Cub Scout and you said you'd help. Now what? To know what to do when those Scouts show up to their first Den Meeting, attend Cub Leader training!

You, your leaders, and all Cub Scout parents are welcome to attend. You'll see how families play the game of Scouting, how to have exciting den and pack meetings, how leaders and families work together for great Cub adventures, and learn the resources to further your training.

Courses are led by experienced leaders who have "been there and done that." Course offerings for Fall 2016 are listed below.

Visit atlantabsa.org/training for more information and to sign up.
 Some classes may require a small fee for handouts, course materials, snacks, etc.
