GUIDELINES PERTAINING TO SILVER BEAVER AWARDS

1. This award is made for noteworthy service of exceptional character to youth by registered BSA adult volunteers within the territory under the jurisdiction of our local council, and nominees are evaluated entirely by the record you present on Page 2. Your thoroughness is therefore essential. The nomination must be handled confidentially, in order to avoid possible disappointment.
2. Nominations must be submitted only on this official application, filled out in detail. We suggest that you restrict your nomination to the criteria listed on this form and the space allotted. You may attach supporting letters. We encourage you to make a copy before submitting, as nomination forms will not be returned. The Silver Beaver Selection Committee may require additional information.
3. Decisions of the Silver Beaver Selection Committee are final, based on the merits of the entries, as evaluated by the committee and limited by the number of awards available to our council.
4. A candidate may be any currently registered volunteer Scouter, over 21 years of age, who has given noteworthy service of exceptional character to youth over a sustained period. Service in other organizations should become part of the candidate's record if he/she has served in other organizations. Nominations will not be considered for former professional Scouters or council employees within five years of their leaving employment with BSA.

Nominations cannot be considered for posthumous awards.

5. It is highly suggested that you resubmit nomination forms each year for those candidates for the Silver Beaver. This allows for updates to personal information, BSA position, and awards earned. The committee will maintain Silver Beaver forms for two years (year submitted + the next year).
