A Cub Adventure Weekend

Choose Your Spooky Weekend:

October 10-12

October 17-19

October 24-26

Spooky-ree is a themed fall weekend filled with a Fall Festival, creepy-crawly nature Show, pumpkin carving & decorating, archery, BBs, s'mores, and a campfire. The highlight of the weekend is the Trick-or-Treating Trail for all Scouts and an extra spooky haunted trail for the older Scouts and adults.

Come for the weekend, or just come for the day! Meals are available in the dining hall or cook on your own. You can even rent one of the camp's canvas wall tents for the weekend.

Spooky-ree is a family event so be sure to bring everyone! Everyone gets a patch and all children get hot chocolate.
