IMAGINE YOURSELF LEARNING FROM A TEAM OF COMMITTED AND ACCOMPLISHED ENGINEERS!

A team of experts have created a dynamic experience that will excite any middle or high school student about Science Technology Engineering and Mathematics.

The Atlanta Area Council will offer a Virtual Stem Academy June 1st -5th. Students will have the opportunity to engage with specialists in the STEM field from major Atlanta companies including Novelis, Northside Hospital, MARTA, GA Power and The Society of American Military Engineers (SAME). Registration cost for the Virtual STEM Academy is $50.

BE INSPIRED! IN WAYS YOU DIDN’T KNOW WERE POSSIBLE!

• Experience hands-on STEM activities
• Partner with some of Atlanta’s greatest companies.
• Each student should find their passion in the world of Engineering and unlock potential
