ATLANTA AREA COUNCIL
WOOD BADGE

IGNITE THE SPIRIT
Every Scout deserves a well trained leader. Are you that leader?

The Wood Badge Centennial update course continues the long tradition of providing advanced training for today's scout leaders. The updated course is five days and reflects current approaches to a variety of topics that are relevant across all program areas of the Boy Scouts of America.

Through Wood Badge you will gain valuable tools in listening, communicating, conflict management, project planning and leading change. You will learn to better understand and leverage diversity and the generational differences of society. You will learn to lead with a vision. You will learn the skills that will make you a better Scout Leader to benefit the youth we serve.

**Greg Becker - #1 Course (Spring)**

Great leaders have a vision of where they are going and an innate way to share an energy for a group to get there - together. My family and my Scoutmaster instilled that trait in me. It will be my privilege to lead a Wood Badge training team for today's fantastic volunteer leaders who understand the value of being well trained as we serve today's youth. Please join me and my team as we embark on a life-changing adventure that will share leadership skills and techniques that you will use in Scouting, your personal life and in your careers. With your help, we will pay it forward for tomorrow's leaders.

**Silvia de la Cruz - #2 Course (Fall)**

It is an honor to have the opportunity to serve as Course Director for Course 2, S9-92-20-2, and continue to serve Scouting. Wood Badge training made me a better leader in and out of Scouting, and I look forward to helping you lead your own Scouting program to the level of excellence all of our Scouts deserve. Come join our great team on Course 2!

**Garrett Bailey - #3 Course (Fall)**

Attending Wood Badge was one of the greatest decisions I ever made, and has had a profound impact on my Scouting and many other phases of my life from a leadership perspective. We hope to provide this type impact in your life and the lives of the youth you serve in your units. I am honored to be the course director for Course 3, S9-92-20-3. I hope you will join us to help lead your own Scouting program to the level of excellence that you feel all your Scouts deserve.
