Cub Scout Day Camp is run by volunteers. *There are no paid staff members. Every pack MUST supply one 5-day adult volunteer for every 4 Scouts that attend from your pack. (Lions and Tigers excluded). Without adequate adult coverage, your Scouts may not attend.*

- You may work all week or a partial week. However, your pack must have adults who work the days you are not working to have all 5 days covered.
- Five-day volunteers will receive a registration discount, a free t-shirt, and have the privilege of registering siblings and younger children for camp as well. In addition, 5-day volunteers gain the priceless advantage of spending a fun-filled week with their scout.
- If working 2 to 4 days, you must purchase a camp T-shirt for \$10. One day volunteers may purchase a shirt or will be given a generic T-shirt to wear for that day.
- Note: **Tiger Adults are NOT considered 5-day volunteers** but will receive 1 t-shirt.

**VOLUNTEER POSITIONS:** Due to the complexity of scheduling, we will place you in a position where we need you the most. It is our intention to have positions filled and you notified by late-May. If at that time you feel like you cannot work in that capacity, we will work with you to find a position better suited to your preferences.
