As a parent, you want your child to grow up to be a self-reliant, dependable and caring leader. Scouting has these same goals in mind for your child. For over 100 years, the Boy Scouts of America has been weaving lifetime values into fun and educational activities designed to assist parents in strengthening character, good citizenship and physical fitness for youth.

What is Scouting? Scouting is about positive youth development through programs for all youth. Cub Scouts is for boys and girls in Kindergarten through Fifth Grade. Scouts BSA Troops are for young men and women through age 17. Young men and women ages 14 through 20 can also be in Venturing Crews or Sea Scout Ships. We know that kids do not just join Scouting to build their character. They join because it’s fun!

SUPPORT
Cub Scouts helps to support your family by providing ready-made adventures and activities for you and your child to enjoy together.

Spending time with peers is important. Scouting offers an emphasis on friendship and building self-esteem. As a parent, you know that your child is involved in a group of peers that will teach values of good citizenship, character and leadership in a safe environment.

FAMILY VALUES
Scouting teaches family values and works to strengthen your relationship with your child. It also provides activities for the whole family to enjoy.
The Boy Scouts of America places the greatest importance on creating the most secure environment possible for our youth members in all of the BSA Programs: Cub Scouts, Scouts BSA, Venturing, Exploring and Sea Scouts.

Tools for Safe Scouting
These are some of the many tools that will enrich your life as you dedicate your time, talents and enthusiasm to Scouting.

- Get Youth Protection Trained today! This is required for all registered volunteers to help keep kids safe.
- The Guide to Safe Scouting is the reference guide for Youth Protection and Adult Leadership. You can download your copy at scouting.org/safescouting.
- Be aware. Know the BSA’s policies on Safe Scouting and stay up to date on your training.

BSA’s Commitment to Safety
True youth protection can be achieved only through the focused commitment of everyone in Scouting. It is the mission of Youth Protection volunteers and professionals to work within the Boy Scouts of America to maintain a culture of Youth Protection awareness and safety at the national, regional, area, council, district and unit levels.

We take COVID-19 Concerns Seriously
This year we all have concerns over COVID-19, but we also know that youth still need the learning values, character building and fun of Cub Scouting Adventures. So we will Scout On Safely – by sharing updates about how to do in-person activities safely, and also by creating ways to allow every family to do Cub Scout Adventures at home on your schedule and then share your story with others in your Den and Pack. As a leadership organization, we want to do our best to assist against any potential spread of COVID-19 and keep our Scouting family and community healthy. We are following the guidance of the Centers for Disease Control (CDC), the Georgia State Department of Health, and our health committee, and sharing updates at AtlantaBSA.org/Safety-Health.

Barriers to Abuse
The BSA has adopted several robust policies for the safety and well-being of its members. These policies primarily protect youth members; however, they also serve to protect adult leaders. Parents and youth using these safeguards outside the Scouting program further increase the safety of their youth. Scout leaders in positions of youth leadership and supervision outside the Scouting program will find these policies help protect youth in those situations as well.

Your Den

WHAT IS A DEN? AND WHEN DO WE MEET?

• A Den is six to ten youth, ideally in the same grade, who meet with adult leaders (usually parents) to do Scouting “Adventures”, play games, learn skills, perform skits and songs, and take field trips.

• Dens meet at the convenience of leaders and families when group gatherings are allowed, often twice a month, sometimes less often or on the weekends when families can spend more time Scouting.

• A Den is led by a volunteer Den Leader or Co-Leaders, assisted by all other parents in the Den. Most leaders are parents of Cub Scouts, and every parent is a leader to their Scout!

• When group gatherings are not permitted, or when families are not comfortable with group gatherings, Cub Scout Adventures can be family-led on the family’s schedule with Den Leaders coaching parents and sharing tips on how to Scout on. When physically distant, Den families will share their activities, in live Zoom or calls plus pictures and videos over e-mail, text and social media.

Packs with Dens of Boys and Girls

HOW DENs OF BOYS AND GIRLS WILL OPERATE IN YOUR PACK

• How boys and girls in your Pack do activities will depend on the numbers in the Dens, the involvement of your families and leaders and any requirements of your Chartered Organization.

• It is up to the Pack and parents to decide if Dens for girls and Dens for boys will do activities separately or if they will do the same activities at the same time together. Either way is okay, or do some together and some separately!

• Whenever any girl participates in a Den or Pack activity, a registered adult female (21 or older) leader must be present.

Your Den’s Pack

YOUR SCOUT AND THE DEN ARE MEMBERS OF A PACK

• Each Pack is made up of one or more Dens.

• The Pack can host activities (when group gatherings of this size are allowed), usually once a month, that all Cub Scout families are invited to attend, like campouts, hikes, field trips, Pinewood Derbies and much more! During times of physical distancing, Pack activities will be adjusted for safety.

• Pack activities are led by a volunteer Cubmaster or other leaders, with help from parents.

Your Chartered Organization

YOUR PACK IS SPONSORED BY A CHARTERED ORGANIZATION

• Chartered Organizations are organizations with permission - a “charter" - to own and operate a Scouting program. They include youth-serving organizations like schools, religious organizations and service clubs.

• Your Chartered Organization approves leadership, helps secure meeting places and keeps the Pack within both their guidelines and policies of the Boy Scouts of America.

• Your Chartered Organization selects a Representative as a liaison between the Pack and the Chartered Organization, called the “Chartered Organization Representative” or COR.
2 // HOW TO SCOUT

IN THIS SECTION // you will be guided through how your Scout can advance through the Cub Scout program, the adventures they can do, the Atlanta Area Council’s first-class camp properties, how you can enjoy them and what they will need for their adventure.

Scouts have opportunities that many children don’t. They get to learn alongside their peers, be challenged and rewarded for their good work and attend amazing activities!

DID YOU KNOW: SCOUTS ARE TWICE AS LIKELY TO EARN A COLLEGE DEGREE COMPARED TO THOSE WHO WERE NEVER SCOUTS.
THE ADVANCEMENT PLAN

All Scouts should have their own Cub Scout Handbooks and work on their age-appropriate “Rank Badge”. Handbook adventures can be Den group activities and/or family-led activities, including Den or family field trips.

The first step for every new Cub Scout, regardless of age/grade, is to learn the Scout Oath and Law, the Cub Scout handshake, salute, sign and motto to earn the Bobcat Badge. Lion Scouts can receive the Bobcat Badge right after they earn the Lion Badge.

Lion // KINDERGARTEN
As a Lion, your kindergartner will make friends, laugh loud, gain confidence, discover nature and most of all...have fun! They’ll experience the Scouting concepts of character development, leadership, citizenship and personal fitness through engaging and exciting adventures!

Tiger // FIRST GRADE
The Tiger badge is earned after completing six required adventures and one elective adventure, plus a parent/child safety exercise. After completing the Tiger rank, Scouts may do more elective adventures. Adventure loops are worn on the Tiger belt.

Wolf // SECOND GRADE
The Wolf badge is earned after completing six required adventures and one elective adventure, plus a parent/child safety exercise. After completing the Wolf rank, Scouts may do more elective adventures. Adventure loops are worn on the Wolf belt.

Bear // THIRD GRADE
The Bear badge is earned after completing six required adventures and one elective adventure, plus a parent/child safety exercise. After completing the Bear rank, Scouts may do more elective adventures. Adventure loops are worn on the Bear belt.

Webelos // FOURTH GRADE - “Webelos” meaning “WE’ll BE LOyal Scouts”
When a Cub Scout has completed the third grade (or turns 10 years old), the Scout works on requirements for the Webelos badge in the Webelos Handbook. The Webelos badge is earned after completing five required adventures and one elective adventure, plus a parent/child safety exercise. Scouts earn adventure pins to be worn on the uniform.

Arrow of Light // FIFTH GRADE
When a Scout completes fourth grade, they will work on requirements for the “Arrow of Light” badge, also found in the Webelos Handbook. This badge relates to learning what older Scouts do in Scouts BSA Troops and is earned after completing four required adventures and one elective adventure, plus a parent/child safety exercise. Scouts earn adventure pins to be worn on the uniform. In late winter or spring of the fifth grade, they graduate from Cub Scouts to a Scouts BSA Troop at a ceremony called a Crossover.
The Cub Scout program provides a variety of ways to engage and recognize youth. Below are a few additional awards that can be earned while your child is a Cub Scout.

IN THIS SECTION // you will learn how to get involved as a parent and a leader and what training you will need to make your job easy. Every parent must be a leader to their own Scout children – and Cub Scouting works best when parents share in leading all the Scouts in a Den and Pack. Many Cub Scout Adventures can be completely earned at home – and every family will have access to tips about how they can lead in person and in den gatherings.

One of the promises of Scouting is being able to experience all of the amazing programs Cub Scouts has to offer in the beautiful outdoors. The fact is, Scouts love to camp. It helps them learn to rely on themselves – on their own skills and knowledge. When a Scout goes camping as a Cub Scout, they will develop skills that they will take throughout their life. Be sure to have one or more leaders complete the introductory Outdoor Cub Scout Leader Training, called “BALOO” (for “Basic Adult Leader Outdoor Orientation”). A BALOO trained leader is required to take a Pack camping.

JOIN THE JOURNEY WITH YOUR SCOUT

Scouting operates through volunteer leadership. Volunteer leaders are an example of Scouting’s principle of service to others. Naturally, parents are the primary source of leaders in the Scouting program. You volunteer not only to fill a role in Scouting, but also to help your Scout and their friends and to have the chance to be a positive influence on the youth in your community.

It’s a Family Program

Being a leader is fun and rewarding. Leaders find that their experiences help them to become better parents. The following are some of the many dividends that will enrich your life as you dedicate your time, talents and enthusiasm to Scouting.

• Fun and fellowship with other families and sharing your pride with your Scouts on their accomplishments.

• The opportunity to share ideas with other parents about how we can lead, help and nurture our Scouts in our Den and Pack, and create stronger families through Scouting.

• A chance to help our children learn good citizenship and to help shape them into young people who have strength of character and are sensitive to the needs of others.

• The opportunity to help make a difference in the lives of youth as they grow strong in mind and body.

• The satisfaction of being a member of the worldwide Scouting movement and pride in being publicly identified as a part of this organization.
Your Scout’s Pack is led by parent volunteers who provide leadership to a variety of key positions that ensure every youth and family has a quality Scouting experience. For this reason we encourage at least one parent in your family to participate in a leadership role. Here are some examples on how you can get involved today!

### Den Leader/Assistants

Leads the Den at Den adventures and Pack activities – guides parents about how to lead their Scouts. Den Leaders will need help from Assistants and helpers, Dens can be led by a “co-leader” team of 2, 3 or more.

### Cubmaster/Assistants

Helps plan and carry out the Pack program with the help of others. Emcees the monthly Pack activity or meeting. Also helps guide parents about how to lead their Scouts – especially if/when physical distancing leads to more family led activities from home.

### Pack Committee

Pack committee members (some positions listed below) perform administrative functions of the Pack to support the delivery of the program by Den Leaders and the Cubmaster - all coordinate in regular Pack Leader meetings.

#### COMMITTEE CHAIR

Overall coordination of Pack plan and volunteers. Presides at all Pack committee meetings. Helps recruit adult volunteers.

#### SECRETARY/TREASURER

Keeps records of Pack funds (collections and expenses) and reports to the Committee. Handles applications and recharter paperwork.

#### ADVANCEMENT CHAIR

Maintains advancement records for Scouts. Orders and obtains all badges and insignia for Den and Pack recognition.

#### PACK TRAINER

Guides leaders and parents to training resources and classes (online and in person).

#### PARENT HELPERS/COMMITTEE MEMBERS

Involved in program jobs of short duration including coordinating Pack participation in sales events, Scouting for Food, Pinewood Derby, Blue and Gold Banquet, Day Camp, weekend activities, etc.

#### NEW MEMBER COORDINATORS

A “Welcome” team to help welcome families to Pack events and guide families on how to get the most out of Scouting.
Getting Trained to Lead Your Scouts

Leading your Scout’s Cub Scout Den or Pack is a great journey where you will share many lifelong memories. The first step in that journey is to complete training. The main purpose of training is to provide you with the tools you need to put on a quality program for the Scouts and to help you have a fun time leading them. Trained leaders have more fun!

1 // YOUTH PROTECTION TRAINING

Youth Protection Training outlines the policies all Scouting adults must follow in order to protect our Scouts. This training is required for all BSA registered volunteers and must be taken every two years. If a volunteer’s Youth Protection Training expired, their registration will be expired.

2 // VOLUNTEER TRAINING [POSITION SPECIFIC LEADER TRAINING]

Position specific leader training is designed to present essential and practical information for parents, including Den Leaders and Assistants, Cubmasters and Assistants, Committee Chairs and Committee Members. These instructor-led or online courses are designed to help leaders learn how to effectively carry out their Scouting roles and to deliver a safe, quality program. All Cub Leader Training is available online at my.scouting.org. Some live courses are designed for Pack parent leader teams, and cover all roles, to better coordinate among leader teams. Live courses are presented many times a year around the Atlanta Area Council, and just about every weekend in late August through September. Check the Council website training page at AtlantaBSA.org/training for dates.

Be sure to have one or more leaders complete the introductory Outdoor Cub Scout Leader Training, called “BALOO” (for “Basic Adult Leader Outdoor Orientation”), as a BALOO trained leader is required to take a Pack camping. BALOO teaches you how to help new camping families have fun and be safe.

Visit AtlantaBSA.org/Training for more information and the most up-to-date training opportunities.
UPCOMING TRAINING

Your child is going to be a Cub Scout and you said you’d help. Now what? To know what to do when those Scouts show up to their first Den Adventure, attend Cub Leader training!

You, your leaders and all Cub Scout parents are welcome to attend. You’ll see how families play the game of Scouting, how to have exciting den and pack activities, how leaders and families work together for great Cub adventures and learn the resources to further your training. Some of these courses are “Position Specific”, for Cubmaster, Den Leader, Committee or all of them. Some are the Outdoor Cub Scout Leader Training or “BALOO” (“Basic Adult Leader Outdoor Orientation”), which is required to take a Pack camping.

Visit atlantabsa.org/training for more information and to sign up.
*Some classes may require a small fee for handouts, course materials, snacks, etc.

CUB SCOUT LEADER TRAINING

New trainings are being added to our calendar throughout the year, so be sure to check AtlantaBSA.org/training as more sessions are added.

FALL FAMILY CAMPING WEEKENDS

IN THIS SECTION // you will learn the opportunities the Atlanta Area Council offers to Scouts to raise funds to help pay for their Scouting experience.

Scouting is one of the most affordable programs for families to take part in. With all the new skills learned, friends made, and fun, it is definitely the best return on your investment. The Scout Law teaches Scouts to be thrifty and earn your own way.

Scouting Costs

NATIONAL REGISTRATION FEES FOR NATIONAL PROGRAM DEVELOPMENT, FACILITIES AND MUCH MORE.

Effective August 1, 2020, the regular annual (January through December) registration fees for new Cub Scout youth is $66 per year plus a new youth member joining fee of $25. A new youth member registering in August of 2020 will pay $52.50 for the rest of 2020 – 5 months of the annual fee at $5.50 per month plus the $25 new youth member joining fee. The adult leader registration fee is $42 per year with no joining fee, so a new adult registering in August of 2020 will pay $17.50 for the rest of 2020 – 5 months at $3.50 per month.

All youth members and adult leaders continuing in 2021 will renew their registration in late 2020 by paying annual (January through December) registration fees for 2021 at $66 for youth and $42 for adults.

PACK PROGRAM COSTS FOR OTHER PROGRAM AND ACTIVITY ITEMS, WHICH VARY FROM PACK TO PACK.

Pack program fees (or “dues”) may be collected annually or at monthly or other intervals as costs are incurred by the Pack – a few Packs don’t charge Pack program fees if they are committed to fundraising to pay all Pack Program Costs.

Common items covered in Pack Budgets include key program items like Cub Scout Handbooks, Rank Badges and other patches and loops and pins, Pack T Shirts, Pinewood Derby kits and awards, Blue and Gold Awards Banquet, Youth National BSA Registration Fees for 2021 ($66), and other program items and kits. Some Packs cover Adult Leader National Registration Fees through these dues. Often special activity events (like admission costs for field trips or similar event fees) will be paid by those who attend and not out of the Pack dues budget.

WHEN DO YOU PAY? AND HOW?

When you sign up using online registration or at a Sign-Up Night, you’ll pay the National Registration Fee for the remainder of 2020. At Sign-Up Nights or joining, some Packs will also ask that a portion of the Pack Program Fees be paid, especially to cover initial supplies provided to Scouts, like Handbooks. Your Pack can confirm how and when Pack program fees (or dues) are paid – and what fundraising options Scout families can participate in to pay for Scouting adventures! Like the ones listed below.
Popcorn

Popcorn is a late summer/early fall fundraiser that helps to pay for camp experiences, registration fees, handbooks and more! Top selling Scouts earn great prizes, are invited to special events and have opportunities to receive college scholarships.

A great benefit of the popcorn sale is that Packs have the ability to fund their entire year’s program through a council supported fundraiser. The Atlanta Area Council does all the pre-work to set up the sale, eliminating the need for your Pack to research opportunities, calculate returns on sales, create sales and promotional material, manage a relationship with the vendor, etc. Additionally, purchasing popcorn as a council reduces the price to each Pack, yielding greater profits for participating Packs. Visit [atlantabsa.org/popcorn](http://atlantabsa.org/popcorn) for more information.

Camp Cards

Camp Cards are discount cards created in partnership with businesses. These cards are sold by Scouts to members of their community. The sale begins in February and ends in April. Each year, the Atlanta Area Council partners with local and national businesses to offer discounts for our Camp Cards. The funds a Scout earns can be used towards Summer Camp or other council activities. For more information, see [AtlantaBSA.org/campcards](http://atlantaBSA.org/campcards). The Camp Card sale is designed to help Scouts earn funds to offset the cost of their Scouting experience. Past partners have included Waffle House®, Papa John’s®, Great Clips®, Arby’s®, Willy’s® Mexicana Grill, Dick’s Sporting Goods® and more. Take advantage of these partnerships to help your Scouts get to camp. Visit [atlantabsa.org/campcards](http://atlantabsa.org/campcards) for more information.

Other Fundraisers

In addition, some Packs hold other fundraisers that are approved in advance by the Atlanta Area Council and your Chartered Organization, and reflect Scouting’s basic values. Visit [AtlantaBSA.org/UnitFund](http://atlantaBSA.org/UnitFund) for more information.
Friends of Scouting

Friends of Scouting is the annual campaign where the Atlanta Area Council asks Scouting families, businesses, and civic-minded citizens to support our mission of providing Scouting programs to tens of thousands of young people in the Atlanta region. Each gift, regardless of size, provides invaluable funding for BSA programs that benefit our Scouts right here in Metro-Atlanta.

WHY SHOULD I GIVE TO FRIENDS OF SCOUTING?
The Friends of Scouting campaign provides roughly one-quarter of the money needed to support the Atlanta Area Council’s camps, programs, and facilities for a calendar year. These camping and training facilities are the “outdoor classrooms” in which Scouts have fun, learn leadership skills and develop into young adults.

I ALREADY PAID MY CHILD’S REGISTRATION AND THE PACK COLLECTS DUES. HAVEN’T I ALREADY SUPPORTED SCOUTING?
Your child’s registration fee goes directly to the National Office of the Boy Scouts of America for national program development and facilities and more. Most Packs collect dues and that money stays with the Pack to help pay for trips and other activities. The funds raised through Friends of Scouting helps the Atlanta Area Council pay for things like:

- Maintaining and staffing the Atlanta Area Council’s camp properties and Volunteer Service Center
- Training thousands of adult volunteer leaders in and around Atlanta
- Camp scholarships to local Scouts in need of assistance
- Serving kids just like yours in at-risk areas in and around Atlanta
- Insurance for the Atlanta Area Council and units

Roles of the District & Council

THE COUNCIL

The Atlanta Area Council is an incorporated local Scouting organization that exists to support volunteers and Chartered Organizations by providing leadership and program support to Scouts and their leaders, through quality programs that build young people into our future leaders. The Council is a leading youth organization serving 30,000 youth in 13 counties in Metro-Atlanta. We proudly serve the following counties: Carroll, Cherokee, Clayton, Cobb, DeKalb, Douglas, Fulton, Gwinnett, Haralson, Newton, Paulding, Pickens and Rockdale.

THE DISTRICT

The Council is divided into smaller service areas called Districts. The purpose of the District is to organize and support local Scout units and their Chartered Organizations. Your District has a team of volunteers called the District Committee which develops quality district-wide programs Scouts can participate in and provides resources for unit leaders and volunteers called “Commissioners” to coach and advise unit leaders individually and at District “Roundtables” to help adult leaders. Each District will have one or more District Executives and/or District Directors, as full-time professionals responsible for supporting volunteer Scout leaders in the District.
