Over 100 Years.
Develop Community for Helping Scouting
Thank you to the Atlanta Business Community for helping develop youth into leaders for over 100 years.
The Atlanta Area Council, Boy Scouts of America provides character development and values-based leadership training for over 32,000 youth in Metro-Atlanta. Over the last few years we have welcomed the whole family into Cub Scouts and the Scouts BSA programs. Scouting is geared towards building youth into strong leaders and we believe every child should have this opportunity.

Through Scoutreach, we strive to remove any barrier that might keep a child from becoming a Scout by providing program leadership, Scout Handbooks, uniforms, and camperships to any family in need. Our goal has always been, and will continue to be, to help build Metro-Atlanta’s youth into our future leaders through Scouting.

Ed Bastian will serve as the Keynote Speaker at the Atlanta Area Council, Boy Scouts of America’s annual Golden Eagle Luncheon. The Golden Eagle Luncheon kicks-off the Friends of Scouting Campaign which raises the operational funding for Scouting in Metro-Atlanta. Ed is Chief Executive Officer of Delta Air Lines. He serves as a member of the board for the Metro Atlanta Chamber of Commerce, Atlanta Committee for Progress, The Woodruff Arts Center, and is a member of the Council on Foreign Relations. In 2018, he was honored as a Georgia Trustee – the highest honor the State of Georgia can bestow – in addition to Fortune magazine naming him among “The World’s 50 Greatest Leaders.” The same year, Ed completed his second TCS New York City Marathon in support of Rally Foundation for Childhood Cancer Research, fundraising $2 million for the nonprofit.

Carol Yancey is Executive Vice President and Chief Financial Officer of Genuine Parts Company. She currently serves on the Board of Directors for the Atlanta Area Council, Boy Scouts of America, the SunTrust Advisory Board and has served on various not for profit Boards over the years including The Salvation Army, Emory Healthcare Advisory Board, and others.

“Through Scouting, I have seen that living itself is the greatest adventure of it all. You can get through life as a survivor - never exploring and never feeling a thrill in the world. But that’s not how life should be lived. Scouting has allowed me to accomplish goals, learn new skills, and enhance my community.”

– Jordan Mercure

Golden Eagle Scout Speaker

YOUTH PROTECTION SEMINAR
Atlanta Area Council, BSA holds 6th annual seminar on protecting youth

We all have a role to play in creating an environment where kids can grow, excel and reach their full potential. The Atlanta Area Council, Boy Scouts of America held the 6th Annual Youth Protection Seminar this fall, where youth serving professionals learned together on how to protect children from harmful influences and to recommit to serve in a stronger, safer community for children. This is part of the continued effort to advocate on behalf of Atlanta’s youth by the Atlanta Area Council, Boy Scouts of America.
