

Aviation Merit Badge

This merit badge class will be two sessions. Scouts must complete both sessions to earn the merit badge. Please allow enough time to complete the classroom and homework assignments. Begin at least three (3) days prior to the Saturday museum visit to ensure enough time to complete the classroom. Our merit badge counselors are registered scout leaders and Youth Protection Trained.

Total cost for the merit badge will be \$15.

The \$5 charge when registering will assure the scout is sent a link to the Google Classroom session.

A \$10 charge for each scout taking the merit badge session will be charged at the museum.

Leaders, parents will be charged \$5 admission to the museum. Student age youth not taking the merit badge, seniors, and veterans are charged \$3 admission (cash or major credit cards accepted).

The first session will be posted in Google Classroom. A link will be provided approximately 1 week before the museum tour. You can complete the classroom session at your convenience, just be sure to complete it prior to the museum tour session. A "light" homework assignment will be posted in the Google Classroom session and will be required to be turned in at the museum tour).

Siblings beware: Each scout taking the merit badge must have a separate email address to attend Google Classroom.

The second session includes a museum tour on Saturday from 9:00 am to approximately 11:00 am at the Aviation History & Technology Center (formally The Aviation Wing of Marietta). The museum is located at 555 Perrin Rd. Marietta, GA 30060. Driving directions will be provided in the Google Classroom session.

Although there is a quiz included in the Google Classroom session, scouts will also be interviewed after the museum tour to be sure they understand the answers to the knowledge requirements.

To get the most benefit from this class it is recommended that scouts purchase the Aviation Merit Badge pamphlet and study it prior to the sessions.
