

Build It

Arrow of Light | Elective

1. Learn about some basic tools and the proper use of each tool. Learn about and understand the need for safety when you work with tools.
2. With the guidance of your Webelos den leader, parent, or guardian, select a carpentry project and build it.
3. List the tools that you use safely as you build your project; create a list of materials needed to build your project. Put a checkmark next to the tools on your list that you used for the first time.
4. Learn about a construction career. With your Webelos den leader, parent, or guardian, visit a construction site, and interview someone working in a construction career."

General videos

Here's a [series of videos from "Cub Scout Eric"](#) on YouTube demonstrating elements of this adventure.

- From our Friends in the Buckeye Council, here's a Build It Resource Page with lots of Project Idea Links: <http://www.buckeyecouncil.org/files/d/usr/2685/BuildItNotes.pdf>
- Some might like this: <https://www.tinkercad.com/>

Videos to help with activity #2
