Learn how to be the best Cub Leader you can be!

Cub Scout leaders interested in adding a camping component to their Pack activities are required to have at least one BALOO trained adult on every Cub Scout den or pack overnight outdoor event – including Pack Camping and Webelos Den overnights. We are offering two chances this year for this critical training.

Learn practical ways to lead

For Scouts BSA and Venture Leaders. Working as patrols, this hands-on course provides adult leaders the practical outdoor skills they need to lead Scouts in the out-of-doors. Upon completion, leaders should feel comfortable teaching Scouts the basic skills required to obtain the First Class rank. Along with Scoutmaster Specifics this course is required of all direct contact leaders registered in Scout Troops in order to be considered “trained”.
